WMS ENDPOINT

INVENTORY ACCURACY, SIMPLIFIED

WMS Endpoint Lite Plus

Inventory Accuracy, Simplified.

Custom scan workflows and barcode capture for warehouse operations

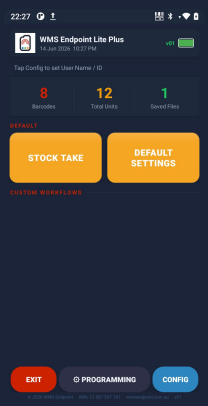
Android 8.0+

Version 01

Built for the warehouse floor, purpose-built for industrial Android handhelds.

Design your own scan workflows, capture barcodes, quantities and locations, and export straight to CSV.

Works fully offline.
No internet required.



KEY FEATURES

WF — Custom Workflows
